

# THE LEADERSHIP GAME

ELEVATE YOUR TEAMS LEADERSHIP AWARENESS

## The Maxwell Leadership Game

Unlock the full potential of your team with an immersive leadership experience designed to elevate your organization's success. The Leadership Game Experience is not just a game- it's a powerful team building and assessment tool to revolutionize your leadership culture.

## Why Play the Leadership Game?

### What Will You Gain?

- ✓ Embrace and embody your unique leadership style
- ✓ Recognize the high-potential leaders within your team
- ✓ Foster an environment of open sharing and communication
- ✓ Build stronger working relationships
- ✓ Address challenges and discover constructive solutions
- ✓ Develop a successful action plan for continued growth and success

#### Elevate Leadership Awareness

Close communication gaps, uncover blind spots, and pinpoint areas for improvement as your team engages in dynamic discussions guided by the wisdom of John C. Maxwell.

#### Proven Principles for Lasting Impact

Discover time-tested leadership principles that have stood the test of time, empowering your team to drive positive change through enhanced communication and synergies.

#### Interactive Team Building

Forge deeper connections within your team through an interactive experience that promotes unity and understanding. Leaving them with invaluable insights to put into practice.

#### Insights Tailored to Your Team

Experience a unique and customized approach to team engagement, with each game session led by a certified John Maxwell coach. Every question and discussion card is strategically designed to prompt candid feedback and drive progress.
